Travis Basile

"Friends - Travis and Sean"

Lighting off fireworks in the backyard... Cookouts and pigging out... Late night hide and seek... Flipping on tubes in the pool... Camping and sitting around the fire... Laughing... Going to a dance and everyone rubbed his head... Calling girls and girls calling us... Blowing up toy cars with rockets (and getting in trouble)... Six Flags, Fright Night... Going to the park and forgetting to tell our parents (and getting in trouble)... Go-cart racing... Riding quads... Boston Red Sox baseball games... Riding bikes in the neighborhood... Staying up late and playing video games... Going to the movies and walking in the mall afterwards... Building model cars together... Fishing, and actually catching fish... French toast at Grandma's after fishing... Sleepovers... Teasing our brothers and sister (and getting in trouble)... Playing with our brothers and sister... Going to New Hampshire and buying fireworks (the good ones)... Building Lego creations in our rooms... Just hanging out.

Tonia Rochelle

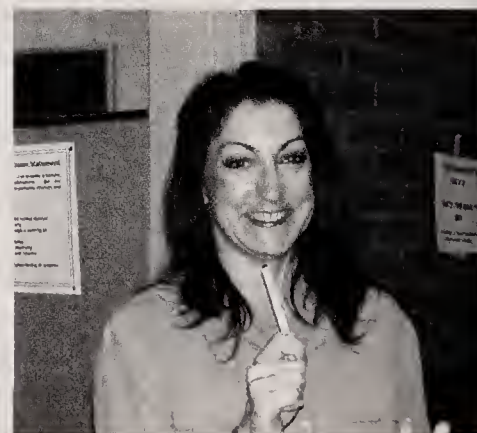

In-School Suspension Supervisor

Mrs. Rochelle was a compassionate teacher, loving friend and wise colleague who touched the lives of many in remarkable ways. Mrs. Rochelle's students always spoke of her loving kindness, whether it was helping them with an In-School Suspension assignment or a current problem they had in their life. She had a unique way of listening, supporting, and making one feel respected and important. We all miss her joy for life and optimistic personality. Mrs. Rochelle was one-of-a-kind. We all have been honored in knowing her for the seven years she taught at Kennedy Middle School.

*She had a loving nature you could not help loving,
A heart that was purer than gold.
And to those who knew and loved her,
Her memory will never grow old.*

and Rita Burgoin
